

Name	Callum
Position	Management Training Programme
Employer	Mercure Hotel - Queenstown

Callum was first a student with us in 2011 when he completed his level 3 & 4 Travel & Tourism qualifications. He went on to work at a local Dunedin hotel.

In 2015 Callum returned to the Dunedin campus to complete the Diploma in Tourism Management in order to achieve the goal of advancing his career in the hotel industry. Throughout the year Callum was able to use his existing employment background in hotels to add real value to the discussions and topics covered in class.

He demonstrated a fantastic work ethic – his attendance was great, and work produced was of an extremely high standard.

In July he took up the opportunity of applying for roles in Queenstown at our exclusive Job Fair – this led him to be considered by the ACCOR chain of hotels for their national management training program. He has now been accepted on the program and will be starting at the Queenstown Mercure Hotel in January 2016.

Well Done!

Callum
