

Name Crezaan

Position Corporate Travel Consultant

Employer Orbit Travel, Wellington
(previously at Disneyworld)

Crezaan joined the New Zealand School of Tourism Willis Street in January 2014. Whilst on campus Crezaan worked extremely hard and got involved in all of the different opportunities that the campus had to offer.

One of those opportunities was to apply to work at **Disneyworld** Florida in the USA. Crezaan had the interview and it was an anxious months wait until she found out that she was successful. On the 25th of January 2015 Crezaan left her family and friends and flew to the US to start an amazing 6 month experience.

Prior to leaving New Zealand Crezaan attended her Graduation and was a very worthy winner of the **Student of Year** award. This award was in recognition of the growth and development that Crezaan had made during the year. She was a standout on campus and in her classroom.

At Disney Crezaan worked in one of the busiest and biggest food halls in North America. She got to meet lots of people from around the world and really enjoyed being a part of the Disney family.

In August she came back to New Zealand and came in to say hello a week after arriving home. It just so happened that we had been contacted by **Orbit Corporate Travel** who were looking for another outstanding graduate to start work. Crezaan interviewed the next day and was offered a role the following week!

Crezaan's willingness to try new things, to learn and grow has seen her become very successful and we are sure that those attributes will enable her to be even more successful in the future.

Well Done!

Crezaan!
