

**Name** Alice  
**Position** International Flight Attendant  
**Employer** Air New Zealand

Alice (Ali) began her studies with the New Zealand School of Tourism Dunedin campus in 2015 completing Travel & Tourism Level 3 as well as an International Flight Attending Level 4 qualification.

From Invercargill, Ali quickly conveyed her passion for travel and tourism by being an enthusiastic and engaging student.

Her ultimate goal was to become a flight attendant, and she let it be known to her tutors that she was willing to go the extra mile to make this happen. Her love of public speaking meant she was often first to present to the class and showcase her presentation skills.

In July Ali attended an interview session with Air New Zealand and was successful in gaining a position flying mid-haul routes. Her first flight is to Fiji! A definite success story and we are all very proud of you.

**Well Done!**

**Alice!**
