

**Name** Baylie  
**Position** Processor  
**Employer** Orbit Corporate Travel

Baylie started studying at the Hamilton Campus in 2014. In the year and a half she has been with us she has completed and achieved 4 qualifications. Certificate in Airline, Travel and Tourism Level 3, Certificate in Conference and Event Planning Level 4, National Certificate in Travel Level 4 and New Zealand Diploma in Tourism and Travel Level 5.

Mid 2015 Baylie had the opportunity to interview for a role at Orbit Corporate Travel in Hamilton. She was successful and soon after the interview she began her career in Corporate Travel.

Baylie was over the moon with gaining employment.

Baylie has reported back to us to say that she is thoroughly enjoying her role and cannot believe how much she has learnt in such a short space of time. Baylie loves the fact that she gets to use the skills she obtained by attending New Zealand School of Tourism on a daily basis.

Baylie was an absolutely phenomenal student, made strong relationships with the students in her classes, was always immaculately groomed and had excellent attendance. Baylie not only showed leadership in her class, but also in the many different campus events such as the Amazing Race, Glee and our sports day.

We wish Baylie all the best in her role with Orbit Corporate Travel in Hamilton.

**Well Done!**
