

Name **Jacob**

Position **Quick Service**

Employer **Disneyworld Florida**

18 Year old Jacob is originally from Timaru. He joined the New Zealand School of Tourism in February, and is nearing completion of the Certificate in Tourism, Hotel & Airline Operations Level 4.

Jacob chose to study with the New Zealand School of Tourism as he saw gaining a qualification with us would open the door to more experiences and perhaps give him the opportunity to travel.

When he found out that Disney was coming to town to interview for positions in Orlando Florida he was determined to be interviewed. He wrote a very inspiring letter of motivation to his Campus Manager so we endorsed him and he got a guaranteed interview spot. A slight hiccup was Jacob was only 17 but when his 18th birthday rolled around on the 4th of July Jacob was online booking his presentation & interview spot.

Two weeks after his interview Jacob was thrilled to hear he had been successful in gaining a role at the 'happiest place on earth'. He is so looking forward to meeting new people and experiencing all that Walt Disney World has to offer him. Jacob's No 1 place to visit is the US and he gets to tick this off his bucket list, plus he gets to add some great work experience to his CV

Jacob, we can't wait to hear all about your experience when you get back in 2016.

Well Done!

Jacob!
