A 2013 graduate from Kaiapoi High School Kennedy came to study at the New Zealand School of Tourism in April 2014, she completed a Certificate in Airline, Travel & Tourism level 3 and followed that up with a Certificate in International Flight Attending.

In 2015 Kennedy returned to study a Diploma in Travel & Tourism Management, her goal was to gain an Internship that would give her the opportunity to travel & work overseas.

In September of 2015 Kennedy gained an Internship working as a Train Attendant on Kiwi Rail, this experience gave her the confidence to apply for a role with The Broadmoor in Colorado Springs, USA. The Broadmoor is a 5 star property with 744 guest rooms, 19 restaurants, lounges and cafes, indoor and outdoor pools and more.

Kennedy was thrilled to be offered a role with The Broadmoor and started this May as a Restaurant Host.

We are so proud of all that 19 year old Kennedy has achieved since she started as a student back in 2014.

Well Done!

Kennedy!
